

Warren County

Assessment of Fair Housing

The Warren County Assessment of Fair Housing has begun!

Are there any housing needs in Warren County? Is there anything that you think could be improved? Can improving these things improve access to resources and opportunities? The Assessment of Fair Housing is designed to answer these types of questions and provide potential solutions. Your input is essential to identifying and creating effective solutions to housing issues in your community. We invite you to join us at the public workshop and give your thoughts and input!
