Project WILD & Aquatic WILD Workshop

Thursday, June 13, 2024
9:00a.m - 3:00p.m.

Armco Park– Jones' Pavilion
1223 OH-741 Lebanon, OH 45036

Join us for a fun, interactive Project WILD & Aquatic WILD educator workshop! Aimed at formal and non-formal K-12 educators, this workshop will help you supplement what you're already doing with hands-on, nature-based activities that help your students learn *how* to think about wildlife, not *what* to think.

Come explore new ways to connect students to nature through scientific inquiry, bring nature into the classroom, and give students exploratory outdoor learning opportunities.

Register today at

<https://www.warrenswcd.com/project-wild-workshop.html>

Project Wild Registration

**Registration
is Free!**
